

Bi-Go

The Minimalist

- ✓✓ Suitable for the beach, woods, and city.
- ✓✓ Car-ready: quick-folding, easy to take along.
- ✓✓ Active, body-weight steering.
- ✓✓ Sustainable and affordable.

The Bi-Go is for active riders who like to keep things simple and want agile, body-steered driving. Lean forward and go; lean back to brake or reverse—direct and intuitive, even in a busy shopping street. Heading out together? Just keep pace at normal cycling speed.
