

Genny Zero

The Trendsetter

- ✓✓ Italian design that stands out.
- ✓✓ Body-steering with a dedicated brake button.
- ✓✓ Auto-retracting handlebar (when stationary).
- ✓✓ Swappable batteries and LCD display.

The Genny Zero balance wheelchair is for riders who want style with active control in everyday moments—groceries, walking the dog, and grabbing a terrace. You're sporty, you value design, and you want precise control: body-steering with a brake button gives you exactly that.
