

ibot duo

The Good-Life Rider

- ✓✓ Throttle: you set the pace.
- ✓✓ Cruise control for relaxed long rides.
- ✓✓ Tailored seat: highly adjustable.
- ✓✓ Auto Mode: easy loading and unloading.

The ibot duo balance wheelchair is for life enthusiasts who want semi-active driving and who like to combine ease and comfort with modern design. You set your speed with the throttle and hold it effortlessly with cruise control—ideal for getting out with family or friends.
