

Scewo BRO

The Pathmaker

- ✓✓ Automated straight-stair climbing.
- ✓✓ Height adjustment: eye-level talks or low under a desk.
- ✓✓ Car-ready: assisted loading/unloading.
- ✓✓ Smart app control: phone pairing.

The Scewo BRO balance wheelchair is for anyone who wants autonomous stair capability and tight, joystick-led maneuvering—from home and station to supermarket and workplace. Your day asks for eye-level contact, comfortable desk height and smart touches like app control and lighting.
